

A decorative graphic consisting of several overlapping white circles and arcs is positioned on the right side of the slide, extending from the top half into the blue bottom half.

***Workshop 5: REACH and the Water Framework Directive***

## Statement 1

**Authorities granting permits under the WRF shall respect the risk assessment performed and control measures recommended in the REACH framework.**

## Statement 2

**Permits granted for activities with substances of high concern justified by limited data should be reviewed after authorisation of a substance.**

## **Statement 3**

**Authorities dealing with obligations of the Water Framework Directive can benefit from the risk management measures recommended in the REACH system.**

## **Statement 4**

**Permits granted on basis of the WRF should not be taken into account for the evaluation of an authorisation**
